**Nine Lives: Death and Life in
New Orleans**
by Dan Baum

Why are New Orleanians—along with people from all over the world who continue to flock there—so devoted to a place that was, even before the storm, the most corrupt, impoverished, and violent corner of America?

Here's the answer. *Nine Lives* is a multivoiced biography of this dazzling, surreal, and imperiled city through the lives of nine characters over forty years and bracketed by two epic storms: Hurricane Betsy, which transformed the city in the 1960's, and Katrina, which nearly destroyed it. These nine lives are windows into every strata of one of the most complex and fascinating cities in the world.
